Welcome to 1998!

Traditionally, the January newsletter features a summary of topics discussed by the incoming board of directors at the first meeting of the new board. However, this year the board's initial meeting won't be held until the Superbowl party, so there's nothing to report here!

We're all looking forward to another terrific year of club activities, starting with the upcoming Superbowl party. Since the 49'ers failed to make the Superbowl, it won't be a *real* football game, but that's okay 'cause we've had several new members join the club, some with recently-purchased Panteras. Can you say "Tech Session?"

See you there!

CFRA/PCNC

Thunder Hill Open Track

Our first open track event of the year will be the Thunderhill High Performance driving school on Sunday, March 1st. This school is put on by the track, and will have run groups of about 12 cars each. This event will give you the opportunity to spend the day with an instructor working on your driving skills. You will also be able to test for advancement within CFRA. The price is only \$150. If you're interested in attending, contact Ed Kornegay. The registration deadline is Friday, February 20th.

July 26th is the date for our first-ever Summer Thunderhill track date. This will be a CFRA/PCNC-only event, and thus we will have the whole track to ourselves. With only about 20 cars participating, this event will guarantee you as much track time as you can stand, plus lots of room to maneuver! Scott Deric will be in attendance to give a little one-on-one personal driving instruction.

The pricing will be as follows:

\$195 if postmarked during March

\$205 if postmarked after 3/1

\$215 4/1

\$225 5/1

\$235 6/1

\$245 At the event

To take advantage of the discounted price, just send \$50 (nonrefundable) and your registration form to:

Ed Kornegay
1344 Milton Place
Rohnert Park CA 94928

Make checks payable to Ed Kornegay. Your balance must be mailed by 6/1 to keep the lower price.

This is our first opportunity to have a Summer Test Day. We will need 15 people to make this work. Our Fall Test Day will be the last week of October or November.

It may be kind of warm in July, but just think; you'll finally get to use the pool at the hotel!

Questions, contact Ed Kornegay at 707-792-2492.
